

# EMERGENCY PREPAREDNESS SERVICES

---

## CIMS Level 3 Online (Zoom) Training including NZQA Assessment (US 32158)

**Date:** Wednesday 27 March, 2024

**Time:** Six hours of learning across three, two hour sessions (participants must attend all three in order to qualify for NZQA assessment)

- Sessions run from 08:30am -10:30am, 11:00am -1:00pm, 1:30pm -3:30pm with a short break after each hour of teaching
- 

**Cost:** only \$150 + GST per student including NZQA Assessment

At the end of the course participants will understand the Coordinated Incident Management System (CIMS) and how it is used across the emergency services, central and local government agencies and private entities.

We ensure that any course participant that wants or needs NZQA accreditation to Unit Standard 32158 will be able to gain the accreditation.

We offer CIMS level 3 courses online (Zoom or Teams), via self-paced videos, or face-to-face and CIMS level 4 courses face-to-face.

Our online level 3 course was developed in 2020, when online was the only option, and many organisations continue to use this as their main option thanks to the set cost per student, the great feedback (see next page) and no travel costs for the tutor or participant.

For more information on any of our CIMS training, or scenario based training packages, please contact Dave Greenberg on [dave@epscims.co.nz](mailto:dave@epscims.co.nz) or set up a chat via this link: <https://calendly.com/dave-greenberg-nz/a-15-minute-chat-with-dave>

To register for the 27 March 2024 course please email [dave@epscims.co.nz](mailto:dave@epscims.co.nz) or fill out this form: <https://forms.gle/HNiDuXW8tjPDxzgw5>

**We guarantee** that this course works well, online. If any participant is not happy with the course after the first two hour session, they can email us to say they are not coming back, and you will not be charged!

Here is some of the feedback from my last online course, run via Teams, and held on 6 March - all cut and pasted from our chat and emails:

- AL  
Dave – thanks so much – you have done a fantastic job facilitating and answering questions and monitoring chat alone, and you made it relatable from your own examples. Awesome! 🍌🍌🍌
- GC  
Amazing day of teaching and learning, thank you Dave!!
- AW  
Thank you Dave. Really enjoyed the information and learning.
- AW  
thanks so much Dave, really enjoyed this and your teaching style.
- TT  
thank you Dave great facilitation 😊
- TM  
Thanks Dave 😊 really enjoyed the day
- PA  
Thank you Dave. I've enjoyed learning from you 😊
- DA  
Thanks, super interesting
- ST  
thanks Dave, see you at CIMS 4
- HK  
So interesting and practical. Thank you. Off to the DVD store now!
- MT  
I am sorted, and have registered. Really enjoyed the training, you made it so interesting.

Hi Dave,  
Thanks again for today - excellent course 😊

Hi Dave,

Yay! I passed (on the second attempt, oops!).

I just wanted to say thanks for yesterday. What a huge day that was!

As the daughter of an English teacher I noticed two rogue apostrophes in your slides – just in case you are keen to deal with them.

Thanks again for yesterday, what an amazing career you are having. I have to say, your exciting personal experiences is totally what made the course!

Best wishes
